WATSON ADVENTURES SCAVENGER HUNTS

Witty, Cultural Team-Building

"*Watson Adventures* brings you
back to a time when clever
search-and-discover *walks were cool.*"

WATSON ADVENTURES SCAVENGER HUNTS: A DASH OF CULTURE

You won't be collecting objects (put back that statue!), but hunting for answers to tricky, humorous questions. No knowledge of any hunt location is required whatsoever—you just need a sharp mind and good teamwork.

ENGAGING, FAST-PACED FUN

In museums, parks, historic neighborhoods and beyond, hunters race to answer questions in hunts designed to...

- get people relaxed, laughing and having fun
- foster teamwork in a dynamic new way
- introduce people to fascinating places
- lead to an exciting gathering over drinks after the hunt, which we can help you set up
- leave you with more money to spend on that party.

Best of all, you'll see your world—and maybe even your teammates—with new eyes.

*"If only high-school field trips
had been **this much fun**, we'd have
spent less time figuring out whom
to make out with on the
bus ride back."*

—DAILY CANDY

CRACK A DA VINCI CODE

The questions are crafted to bring out the various skills of each member of your team. A person who's good at seeing the big picture will get one answer; a teammate who enjoys wordplay will get the next; and someone with a knack for navigating may excel at getting the team from place to place. The best teams quickly learn that they must use the strengths of everyone in the group.
